Every detail at Casa Bonsai has been thoughtfully curated to deliver both beauty and practicality. Natural wood, rattan, lime-washed plaster, and marble finishes create an atmosphere that feels grounded yet luxurious.

The location

Situated on Jalan Tiyingtutul, Casa Bonsai offers a peaceful residential setting moments from the action. Pererenan and Canggu's best cafés, restaurants, gyms, and beach clubs are all close by, including Nude Café, Obsidian Gym, Jungle Padel, and the iconic Finns and Atlas Beach Clubs. The beach is only ten minutes away, while the airport is approximately forty minutes by car.

Surrounded by convenience yet immersed in nature, Casa Bonsai captures the true essence of modern Bali living.

Why invest

Bali continues to experience steady property growth and high rental demand, supported by strong tourism and improving infrastructure. Pererenan's rapid development and global appeal make Casa Bonsai a secure, high-return investment and a beautiful home away from home.
