FIXER-UPPER WITH GOOD BONES!

Excellent excuse to buy some awesome new tools that you've always wanted! "I need them for the Reno!"

This home has never before polished hardwood floors and with sensible, basic renovations, will leave enough in the kitty to buy a new dual-cab ute.

The home would suit a reno and flip, just as much as a great place to live in a quiet street or will see outstanding returns as a long-term rental on account of dual living potential and pool.

The property has excellent vehicle cover and is spoiled for choice with storage and workshop/craft, hobbies, or small home business purposes.

There's really no need to reinvent the wheel with this one, just get in and get it done, then reap the rewards.
