PROJECT ANYONE?

Let's be honest: not all homes are designed equal. Some are made for families; some are designed with a lavish lifestyle in mind. And some are tailored more specifically toward savvy buyers who can see potential where others can't. This home falls into the latter category.

This property has the bones of a great first home. It just requires the rest of the renovations to be completed and for its new owners to reap the benefits of its potential as a 5 acre fully fenced horse property only 7 mins from Jimboomba.

Property includes;

- Fully Fenced 5 acres (horse paddocks)
- 4 bedrooms, 2 with walk-in-robos
- Central lounge with wood heater
- kitchen with walk-in pantry
- Bathroom and separate toilet
