## WELCOME HOME

From the moment you drive through the gates, it's hard to miss the painstaking attention to detail in this magnificent home.

Built in 1994 by premier architect Kelvin Woodrow, each sandstone brick of this stunning home was hand cut on site by one of Australia's leading stonemasons, taking over three months to complete.

This spacious four bedroom home features multiple living spaces, making room for the family to spread out or come together in the formal living and dining areas. The large family room and formal lounge share a 2-way fireplace, perfect for relaxing on a winter night. For warm summer days, the large outdoor entertaining area complete with inground swimming pool beckons out back, perfect for entertaining family and friends.

Walk through the double front doors and you immediately notice the abundance of space and natural light throughout the home. A stunning
