SPARKLING INGROUND POOL FOR SUMMER

Designed with the family in mind this residence has everything you have been looking for in an affordable summer fun package including a sparkling inground pool plus a generously sized outdoor entertainment area that comes with your very own built-in pizza oven.

The open-plan living area overlooks your sparkling in ground pool and is accompanied by an adjoining galley kitchen with plenty of cupboard storage space. While the open plan concept is great you also have a second living space at the front of the home creating a flexible use rumpus room for the family to relax and enjoy.

This home is the complete package and one not to be missed. The property is sure to attract lots of interest from buyers and the motivated sellers have given clear instructions that it must be sold. If you want a wonderful home in a great location then you better act fast before this property is sold.
